

## Summary of the Discussion on how to enhance ANTEP implementation

The meeting agreed that the role of HRD Project Leaders and ANTEP secretariat in Japan should be as follows to enhance ANTEP implementation.

The role of HRD Project Leader:

- should make every effort to achieve matching national needs and possible program as a focal point.
- should submit the needs in details to achieve good matching.
- should follow up implementation of the matched cases.
- should find a way to mitigate the funding constraints (ex. national government funds, MEXT, IAEA programs, in-kind contribution, etc.).

The role of ANTEP secretariat;

- survey of needs and program,
- coordination/adjustment of program and needs,
- follow up and finding a way of informing the member countries of the implementing situation of ANTEP. (ex. internet bulletin)
