

Timeline of FNCA Project on Radiation Oncology

FY	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021
Workshop	Vietnam	Philippines	Indonesia	Malaysia	Japan	China	Thailand	Korea	Japan	Vietnam	Indonesia	Philippines	Bangladesh	China	Online WS	Online WS
Protocol Study																
Standardized Radiation Therapy for Uterine Cervix Cancer																
CERVIX-I																
Accelerated Hyper-fractionation Radiotherapy for Uterine Cervix Cancer																
CERVIX-II	follow up															
Chemo-radiotherapy for Uterine Cervix cancer																
CERVIX-III (Phase2 study)	follow up	follow up/analysis (2year survival)	follow up	follow up	final analysis (5year survival)	follow up										
CERVIX-IV (Phase2 study)	pilot study	proposal	registration	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	follow up	follow up			
CERVIX-V (Phase2 study)							Suggestion/ Discussion	Pilot Study	Pilot Study	Pilot Study	Retrospective Study	registration	registration	registration	registration/follow up	registration/follow up
Chemo-radiotherapy for Nasopharyngeal cancer																
NPC-I (Phase2 study for N2-N3)	registration/analysis (initial impact)	registration/follow up	registration/follow up	registration/follow up	follow up/analysis (3year survival)	follow up										
NPC-II (Phase2 study for N0-N1)	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	follow up/ additional registration	follow up/ additional registration	follow up/ additional registration								
NPC-III (Phase2 study)				proposal	registration	registration	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	follow up	follow up
Hypofractionated Radiotherapy for Breast Cancer																
BREAST-I							Suggestion/ Discussion	registration	registration	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	follow up	follow up
	Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>	
Palliative Radiotherapy for Bone and Brain Metastases																
TBD														Suggestion/ Discussion	Suggestion/ Questionnaire/ Discussion	Suggestion/ Discussion
	Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>		Project evaluation =>	
Physical Aspects of Quality Assurance and Quality Control (QA/QC) on the Treatment																
Brachytherapy	research visit to China (delegate from Indonesia & Japan)	final report														
External beam therapy	mail survey	mail survey	mail survey	mail survey	visit to Bangladesh/final report	additional survey (Visit to Pakistan)	Visit to Hanoi, Vietnam	Visit to Kazakhstan	Visit to Thailand	Review & Evaluation						
Brachytherapy (3D-IGBT)											Suggestion/ Discussion	Suggestion/ Discussion	Feasibility Study Visit to Korea	Visit to China & Philippines	No Visit	No Visit
