

Future Plan of FNCA Project on Radiation Oncology

FY	2005	2006	2007	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017
Workshop	Korea	Vietnam	Philippines	Indonesia	Malaysia	Japan	China	Thailand	Korea	Japan	Vietnam	Indonesia	Philippines
Protocol Study													
Standardized Radiation Therapy for Uterine Cervix Cancer													
CERVIX-I													
Accelerated Hyper-fractionation Radiotherapy for Uterine Cervix Cancer													
CERVIX-II	final analysis (5year survival)	follow up											
Chemo-radiotherapy for Uterine Cervix cancer													
CERVIX-III (Phase2 study)	registration	follow up	follow up/analysis (2year survival)	follow up	follow up	final analysis (5year survival)	follow up						
CERVIX-IV (Phase2 study)	discussion	pilot study	proposal	registration	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up
CERVIX-V (Phase2 study)								Suggetion/ Discussion	Pilot Study	Pilot Study	Pilot Study	Retrospective Study	reistration
Chome-radiotherapy for Nasopharyngeal cancer													
NPC-I (Phase2 study for N2-N3)	registration	registration/analysis (initial impact)	registration/follow up	registration/follow up	registration/follow up	follow up/analysis (3year survival)	follow up						
NPC-II (Phase2 study for N0-N1)	registration	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	follow up/ additional registration	follow up/ additional registration	follow up/ additional registration				
NPC-III (Phase2 study)					proposal	registration	registration	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up	registration/follow up
Hypofractionated Radiotherapy for Breast Cancer													
BREAST-I								Suggestion/ Discussion	registration	registration	registration/follow up	registration/follow up	registration/follow up
			Project evaluation =>			Project evaluation =>			Project evaluation =>			Project evaluation =>	
Physical Aspects of Quality Assurance and Quality Control (QA/QC) on the treatment													
Brachytherapy	research visit to Indonesia (delegate from Malaysia & Japan) research visit to Malaysia (delegate from Vietnam & Japan)	research visit to China (delegate from Indonesia & Japan)	final report										
External beam therapy	proposal/ feasibility study	mail survey	mail survey	mail survey	mail survey	visit to Bangladesh/ final report	additional survey (Visit toPakistan)	Visit toHanoi, Vietnam	Visit to Kazakhstan	Visit to Thailand	Review & Evaluation		
Brachytherapy (IGBT)												Suggestion/ Discussion	Suggestion/ Discussion
